Special request(s): _____

Service start:

To know when to stop playing prelude music, it is helpful for me to know what will signal the start of the service. It is fine if you do not know this information – I can get the answer when I arrive.

The last thing that will happen before the start of the service:

- The family of the deceased will enter and be seated together.
- The casket will be closed.
- The minister/officiant will signal readiness to start the service.
- Other: _____

Service:

Music may or may not be desired during a memorial service.

If solo harp music is desired, you may choose the selection(s) (see repertoire list and audio clips) or leave the choices up to me. If harp accompaniment is desired, I will need to confirm that the accompaniment is practical (both musically and logistically.)

- Harp solo #1: When? _____
- Song choice*: _____
- Choose for me. Prefer: Sacred Secular
- Harp solo #2: When? _____
- Song choice*: _____
- Choose for me. Prefer: Sacred Secular

*Song choices not on repertoire list must be confirmed with me.
